

# Midlothian our library

What we've got for you:

- Lots of great books! For fun and finding out things.
- Computers for homework and games, music CDs, and great DVDs.

- Summer Reading Challenge – join up at the library, read six books, get lots of prizes, win a medal and a certificate and come to a great presentation party.

- Science Festival every October for two weeks, with lots of exciting events.

Things to look out for:

- Bookbug gives every Primary 1 child their own special pack of books in the month of November

- Crafts sessions to make lots of lovely things and storytimes to listen to your favourite books

## Author events

- Make sure your parent puts their e-mail address on your membership form so we can tell you what's going on
